

# LEXINGTON

## Historical Society

April 28, 2020

Members and Friends,

As you know, COVID-19 is still a very real problem that is affecting all of us. Gov. Baker has announced that Massachusetts schools will be closed through the end of this academic year, and we are all making adjustments to our schedules.

Given the current climate, we at Lexington Historical Society have decided to keep our museums and buildings physically closed through the end of May. Our staff will continue to work remotely until it is safe to return.

While this situation is not ideal, we are very excited to be able to present virtual programs and museum tours during this closure. Staff are working hard to reschedule our May programs so that they can be brought to you in a safe, virtual format. Please check our events page as we update it to reflect those changes.

We were thrilled to present a Virtual Patriots' Day, and were able to engage thousands of people locally and from other parts of the world! The programs we presented are now available to stream. Please see [www.lexingtonhistory.org/patriotsday](http://www.lexingtonhistory.org/patriotsday) to view them.

Thank you all for your support during this difficult time. If you have any questions, please feel free to reach out to us at [office@lexingtonhistory.org](mailto:office@lexingtonhistory.org).

Sincerely,  
Erica McAvoy  
Executive Director
